

SEASIDE TREASURES

REGION:
Long Island

DAY 1:

Live out your Gatsby dreams by touring some of the Gold Coast Mansions of Long Island like **OHEKA CASTLE** where Taylor Swift sang about blank spaces or **Old Westbury Gardens** where you can explore more than 200 acres of formal gardens, landscaped grounds, woodlands, ponds, and lakes.

Find picturesque vineyards and a diverse selection of reds, whites, rosés, and sparkling wines in **Long Island Wine Country**. Many of the vineyards are family-friendly, so bring the kids!

Stroll the charming historic village of Greenport and the marina full of fresh seafood options.

DAY 2:

Make friends at the **Long Island Aquarium** by signing up for personal encounters with seals, sea lions, penguins, and bugs, or view friends from afar living in the 120,000-gallon shark tank.

Ride horses along white sandy beaches at **Deep Hollow Ranch**, the oldest working ranch in the United States.

Take in the sunset from the top of **Montauk Point Lighthouse**.

DAY 3:

Make a splash by learning how to surf on the waters of **Long Beach**, riding the 20 water slides and other thrilling attractions at **Splish Splash Water Park**, or dipping your toes in the ocean at one of Long Island's award-winning beaches like **Coopers Beach** in the Hamptons or **Fire Island National Seashore** in Ocean Beach.

OLD WESTBURY GARDENS | OLD WESTBURY

FIRE ISLAND NATIONAL SEASHORE | OCEAN BEACH

DID YOU KNOW?

Long Island is home to more than **60 public golf courses**, which means everyone from beginners to pros can get a round in.

Visitors can walk on paint splatters left by artist Jackson Pollock himself at **Pollock-Krasner House and Study Center**.

The **Walt Whitman Birthplace State Historic Site & Interpretive Center** will be celebrating the poet's 200th birthday in 2019!

Long Island has a storied aerospace history, as the departure point for the first solo transatlantic flight by Charles Lindbergh aboard the Spirit of St. Louis, the place where NASA's lunar modular was manufactured, and much more. Learn about it all at the **Cradle of Aviation Museum**.

Fire Island's 32 miles along the ocean are even more tranquil because no cars are allowed during the summer. The communities of Cherry Grove and the Pines were two of the first LGBT havens in the United States.

MONTAUK LIGHTHOUSE | MONTAUK

Montauk Point Lighthouse is the oldest lighthouse in New York and was authorized by George Washington himself.
